

<p><b>1. What would you like to complete by the end of your time as a school council? For example a report/ campaign/ awareness raising (how?)</b></p>	<p><b>2. What information would you like to gather? And by whom? For example would you like to ask pupils what issues they would like to undertake? Would you like to do a consultation on the topics chosen and collect opinions in order to present the evidence to a Headteacher/ Governor?</b></p>	<p><b>3. Who are the main people/ groups/ young people you would like to work with in order to find the information? (young people, adults, teachers, specific groups in the community, school sub-committees, Governors, headteacher)? How many topics of importance will you have? What will your aim be with these topics?</b></p>	<p><b>4. How would you like to work with these individuals or groups? For example meetings, surveys, focus groups, create a campaign etc.?</b></p>
